**Inspectors:** Nil

**Public Officer:** Nil.

### **Events:**

Sun. 21<sup>st</sup>. November-LVSMC Christmas Luncheon at Grenfell- Numbers needed, ring Col on 0419822975.

Sat. 11<sup>th</sup>. Dec. YHMC Christmas Run and Christmas Lunch. M/T at Harden and Lunch at Park at Boorowa.Meet 9-30am at Young Railway Station. BYO M/T and Lunch.

See Events List for future runs.

### **General Business:**

A discussion was had with Neil Inman on future club runs and a Christmas Run on 11<sup>th</sup>. December.

## **YOUNG HERITAGE MOTOR CLUB INC**

**DEDICATED TO THE RESTORATION OF HISTORIC VEHICLES**

A lengthy discussion was held on future Historic Registrations and what the Trans. For NSW might come up with. Graeme Bell Gave us the up-to-date Information on a streamlined CVS (Modified) Registration which will be an improvement on the initial paperwork, with an attached processing fee of \$25-00.

Final plans etc. were put into place for our Club registration Day at Walkers Workshop on 17<sup>th</sup>. Oct.

Barry Rose has kindly put together an obituary on Margaret Pestell who, with husband Tom were some of the main people involved in the formation of the Young Veteran, Vintage and Post Vintage Motor Club as it was then known.

Barry also commented on the upcoming 50<sup>th</sup>. Anniversary next year of our Club being formed and asked for any members that might have any photos or memorabilia on the early years of the club to dig them out so we can put on a display of some sorts for next year.

There were some suggestions made regarding next years Anniversary by Graeme Bell and Richard Penduralik which we will pursue at one of our next general meetings. Any other Ideas?.

After much discussion with the Young Showground Trust we have finally been able to secure a five year lease with an option to renew, on the restored under area of the Grandstand for long term Club Rooms.

The lease is currently being drawn up.

This will be a boom for the club with also permission to use the Main Ring Area area for future Club events, displays etc.

Meeting closed at 8:46 pm.

Next Meeting will be held on 8<sup>th</sup>. December 2021.

---

### **Registration Day Report 2021**

This year Club Registration Day was held on 17<sup>th</sup>. Oct at Walkers Workshop.

Firstly, the Club cannot thank Les McDonnell enough for the use of his premises for many years as our venue for our Club Registration Day.

Going back to the early years we had the use of Les's Wickham Lane Bus Depot with the large floor pit as many will remember. We then transferred up to his Fontenoy St Workshop which has been really great for many years.

This year however had presented some challenges with the uncertainty of what the covid regulations would be at the time of our Registration.

We didn't want to put Les at risk and also, Glen was locked down in Sydney at the time which didn't help things either.

It was decided to look for an alternate venue if possible and Tony Walker was asked if it would be at all possible to use his workshop for Rego. Day which he very kindly agreed to.

As things turned out because of the safer more isolated area and being able to use three hoists at the same time, the day went off very smoothly.

Overall with using the hoists instead of the floor jacks it was far easier on all our inspectors which was appreciated and the whole process flowed smoothly.

The standard of inspected vehicles was mainly quite good with some minor work to be done for next year which was recorded in our new system.

A huge thank you to all our inspection team who worked in very well together from the members at the front gate, through the inspection area to the final paperwork and collection of yearly subs.

Also, many thanks to Walk's Workshop for letting us use his fantastic premises.

He has very kindly offered it again for next years Rego.

*Col.*

### DEATH OF MARGARET PESTELL

Good morning members, Unfortunately I have sad news to share with you. The passing of Margaret Pestell. Margaret was a co-foundation member of our club in November 1972..

Margaret and Tom were central figures in the creation of the Y.H.M.C ( in those days known as Young V V PV MC ( Veteran Vintage Post Vintage Motor Club) )

Many a night we spent at the kitchen table in Margaret and Tom's home researching the necessary processes and requirements for the formation of a vintage car club.

Margaret's contribution as a valued member of the small team was instrumental in the successful formation of our club in the true sense of the word.

Arguable our club was unique at the time in that vehicles up to 1940 were to be accepted and included in the club hence the PW ("Post Vintage".) The RTA ("Roads Traffic Authority" ) at the time ratified and approved the criteria for the issue of registration plates. I member clearly this was Tom's idea.

Previously only vehicles to 1930 were considered for club registration plates.

Margaret was involved with others in the negotiations with the RTA regarding the availability club vehicles registration

Margaret was the club's first Secretary and also the creator of the club's news letter " The Self Starter" which continues today.

Margaret was also involved in the clubs program of importing vintage car tires for members from America.

I guess one could say that next to each other Tom and Margaret's love was the VVPCMC.

Following Tom's passing, Margaret continued her association with the Heritage Car movement over her lifetime.

Margaret was laid to rest following a private service.

The Y,H,M,C extends its condolences to Margaret's family and friends

R.I.P. Margaret. you will be sorely missed.

My thanks Howard.

Regards

Barry

PS. My apologies for the lateness of this article as I only recently became aware of Margaret's passing.

## YHMC new Club Rooms

Members of the YHMC committee have been working diligently over the past couple of months to secure a new venue for our club rooms. As a result they have been able to secure a very suitable space beneath the refurbished grand stand at the Young show grounds with a 5 year lease. This venue will provide ample space for club meetings as well as the opportunity to hold events such as car shows and other car related days.

Congratulations to the club committee and in particular David and Col for their work on this exciting new direction for our club

Members gather at the station to travel to inspect the new club rooms
