## Editors Note

All members please note that February is the last meeting before the AGM in March so we need to start thinking about what the new executive will look like. Many of the current members of the executive have been in the position for quite some time and may be looking to step back.

If you would like to stand for a position or think another member would be suitable please put in a nomination.

Our Fiat 500 is finally finished and will soon go for a pink slip for rego.

Cheers

Howard
