YOUNG NSW 2594

27<sup>th</sup> July 2023

Dear Club Secretary

Your invitation to the *Southwest Get Together* of Heritage and Classic car clubs in our Southwest region on Saturday 2<sup>nd</sup> September 2023. This event is held annually and shared by the relevant clubs in our Southwest region. This year it's our turn to be hosts. The venue is the *Cootamundra Airport*. Where we will share the venue with the *Vintage Sports Club of NSW* who will be conducting their annual *Cootamundra Sprints event* from 9:00 am to 4:00 pm on the day. If you wish to participate in the Sprints, see the following link and follow the prompts. [Vintage Sports Car Club of NSW \(web site\)](#) Otherwise enjoy the activities as a spectator and soak up the atmosphere of the day. Tim O'Keeffe will again provide *Tours of Cootamundra in his Historic Bus*. Please support the local *Cootamundra Can Assist* who will provide lunch on site for a fee, which includes a lucky draw prize ticket. The ever popular *Coffee Van* also available on site.

### Briefly the Sprint format is as follows:

Cars will be pre-1985 and will participate in either full speed timed acceleration sprints or regularity sprints. The latter allows vintage cars to accelerate over 400m at any comfortable speed they choose and once a time has been given then the object will be to come as close to that as possible in subsequent runs. The informal arrangements of past years will continue in which competitors may choose their running mate as generally, this has resulted in good matches. Good old-fashioned vintage fun without risking cars. State of the art electronic timing is used.

This combined event format is not to be missed, it was popular in 2022 even in poor weather conditions therefore given reasonable weather, we can expect an exciting time ahead.

On Sunday 3<sup>rd</sup> of September is the the *Cootamundra Antique Motor Club's* annual "Father's Day Swap Meet" which is always very popular and a great opportunity to pick up a bargain. Overall, an extremely busy weekend for the *Heritage/Classic car movement*.
